

A very warm hand and transparent look give Stallion an elegant rustic look. Fresh Steer Hides are selected for this article, in order to provide an excellent aged look. Stallion has been hot ironed to bring up to the surface the oils and waxes used. When upholstered Stallion will change appearance, and hence give the piece a unique aged look. Stallion has a protective clear coat that provides additional protection for wear ability.

thickness: 1.0-1.2MM
average size: 55 sq. ft
availability: in stock leather

Colorways available: Coffee
